DESCRIPTION

Malta steel leg table high by **Naoto Fukasawa** for **Maruni**.

The Malta steel leg table represents the first use of steel in the Maruni collection. A minimal steel frame with simple pillar legs provides an elegant counterpoint to the classic Malta pure wood tabletop.

The streamlined and minimal design of the Malta table is easily paired with a variety of different chairs. A choice of five sizes and solid oak or walnut tabletop ensures this table can be incorporated within a wide range of interior spaces.

Available in two different heights, 70cm (low) and 72cm (high).

See the downloadable specification sheet for samples of wood finishes.

DIMENSIONS

180w x 85d x 72cmh

200w x 90d x 72cmh

220w x 95d x 72cmh

240 x 105d x 72cmh

320 x 115d x 72cmh

Table can be custom-made to 10cm increments in width, from 180cm to 320cm, and 5cm increments in depth, from 85cm to 115cm.

MATERIALS

Oak model is available in a clear urethane, clear oil or whitish urethane finish.

Walnut model is available in clear and light brown urethane finish.

The wood used in this product is obtained from oak or walnut trees in North America that are managed and felled in a planned manner.

See downloadable spec sheet for details on wood finishes.

The coating and glue used here reduce VOC emissions in manufacturing processes and finished products.
