DESCRIPTION

Roundish Armchair by Naoto Fukasawa for Maruni.

The Roundish family of seating comprises a two-seat sofa, a three-seat sofa, an arm sofa, an armchair and a chair. Upon its launch in 2014 the Roundish sofa was awarded one of Japan's national Good Design Awards. The newest addition to the Roundish collection, the Roundish armchair launched in 2018 at the Milan Salone.

"The primary feature of this chair is its large roundish back. It gently wraps around the body for increased sitting comfort, and it looks beautiful from behind in particular. The chair back encloses and supports you for hours of fatigue-free sitting, regardless of whether you sit up straight or slouch down. The curvature of the back closely matches the shape of the seat." - Naoto Fukasawa.

The Roundish armchair is available in beech, oak or walnut, with a variety of natural and coloured finishes.

DIMENSIONS

59w x 58d x 45/89cmh

MATERIALS

The wood frame may be selected from the following: Beech with a whitish urethane finish, oak with a clear, whitish or natural black urethane finish or Walnut with a clear or light brown urethane finish.

The veneer used in moulded plywood are managed and felled in a planned manner.

The coating, glue, plywood and mdf used here reduce VOC emissions in manufacturing processes and finished products.
