

Tako Armchair

Designer: **Naoto Fukasawa**

Manufacturer: **Maruni**

£2,382

DESCRIPTION

Tako Armchair by **Naoto Fukasawa** for **Maruni**.

The sinuous sweeping curves of the Tako dining chair have been innovatively created in wood using machine cut pieces. Its organic and sculptural form, with seamless joints, eloquently captures Maruni's philosophy of 'Industrialized Craftsmanship'.

DIMENSIONS

60w x 56.4w x 79.5cmh

Seat height 44.9cmh

MATERIALS

Made from oak or walnut.

Oak available in clear urethane, whitish urethane or urethane natural black.

Walnut available in clear urethane or urethane light brown.

The wood used in this product is obtained from oak or walnut trees in North America that are managed and felled in a planned manner.

The coating and glue used here reduce VOC emissions in manufacturing processes and finished products.
