

Tako Dining table

Designer: **Naoto Fukasawa**

Manufacturer: **Maruni**

£6,941

DESCRIPTION

Tako Dining table by **Naoto Fukasawa** for **Maruni**.

The sinuous sweeping curves of the Tako dining table have been innovatively created in wood using machine cut pieces. Its organic and sculptural form, with seamless joints, eloquently captures Maruni's philosophy of 'Industrialized Craftsmanship'.

DIMENSIONS

180: 95w x 180w x 72cmh

200: 95w x 200w x 72cmh

220: 95w x 220w x 72cmh

240: 95w x 240w x 72cmh

MATERIALS

Available in oak or walnut.

Oak available in clear urethane and whitish urethane.

Walnut available in clear urethane or light brown urethane.

The wood used in this product is obtained from oak or walnut trees in North America that are managed and felled in a planned manner.

The coating and glue used here reduce VOC emissions in manufacturing processes and finished products.
