

## Tako Round Dining table

Designer: **Naoto Fukasawa**

Manufacturer: **Maruni**

£6,145

### DESCRIPTION

**Tako Round Dining table** by **Naoto Fukasawa** for **Maruni**.

The sinuous sweeping curves of the Tako dining table have been innovatively created in wood using machine cut pieces. Its organic and sculptural form, with seamless joints, eloquently captures Maruni's philosophy of 'Industrialized Craftsmanship'.

View the whole collection at Maruni's Tokyo showroom **here**.

### DIMENSIONS

120: 120w x 120w x 72cmh

150: 150w x 150w x 72cmh

### MATERIALS

Available in oak or walnut.

Oak available in clear urethane and whitish urethane.

Walnut available in clear urethane or light brown urethane.

The wood used in this product is obtained from oak or walnut trees in North America that are managed and felled in a planned manner.

The coating and glue used here reduce VOC emissions in manufacturing processes and finished products.
