

4PM Chaise Lounge, 2022

Designer: **Chris Martin**

Manufacturer: **Massproductions**

£2,976

DESCRIPTION

4PM chaise lounge by **Chris Martin** for **Massproductions**.

4PM chaise lounge features a fusion of curved and flat parts blending to provide the best possible comfort. The tapered footrest allows the user's feet to fall comfortably on both sides of the chair enabling the user to get in and out of the chair with minimal effort. The footrest can also be used for temporary seating or as a table surface.

The chaise lounge has a soft leather headrest that elegantly balances on top of the backrest using an enclosed steel weight.

Available in warm tone Douglas Fir wood or the slightly darker American Cherry.

DIMENSIONS

200w x 80d x 17/36cmh

MATERIALS

Solid wood chaise with laminated seatshell.

Leather head rest included

Available in Douglas Fir or American Cherry.
