DESCRIPTION

Gridlock M1-A3-A2 by Chris Martin for Massproductions.

Made from FSC-certified ash wood, Gridlock is a shelving solution with an adaptable design. This design effortlessly allows customization to meet your exact needs. An exceptional feature of this design is its capacity to arrange the shelves in precise grids, bringing an organized and harmonious touch to your living or workspace. Through a straightforward yet ingenious interlocking mechanism, the shelves and side panels join securely, aptly earning this shelving unit its name, "Gridlock."

The Gridlock M1-A3-A2 unit is a shelving system that offers abundant space for books, magazines, and a variety of collectables for display. It comes in three distinct finishes to harmonize with any contemporary interior.

The Gridlock System is available in various configurations. Please the Product Range section below to view the complete collection.
