DESCRIPTION

Gridlock M2-A7-A1-D by **Chris Martin** for **Massproductions**.

Crafted from responsibly sourced FSC-certified ash wood, Gridlock is a quality shelving solution with a versatile design, allowing for effortless customization of its shelves to perfectly match your unique requirements. An exceptional feature of its design lies in the capacity to arrange the shelves in precise grids, ushering in a harmonious sense of organization for your living space or workspace. The shelves and side panels securely interlock through a brilliantly simple mechanism, hence the fitting name "Gridlock."

The Gridlock M2-A7-A1-D model is a spacious shelving unit coupled with a built-in desk for work, with ample storage space for your books, magazines, and collectables. This unit is offered in three distinct finishes to seamlessly complement any contemporary interior.

The Gridlock System is available in various configurations. Please the Product Range section below to view the complete collection.
