

## Gridlock S3-A9-0

Designer: **Chris Martin**

Manufacturer: **Massproductions**

£2,124

### DESCRIPTION

**Gridlock S3-A9-0** by **Chris Martin** for **Massproductions**.

Crafted from responsibly sourced FSC-certified ash wood, Gridlock is a shelving solution, boasting an adaptable design that enables effortless customization of its shelves to meet your precise needs. A distinctive hallmark of its design lies in the ability to arrange the shelves in precise grids, introducing a satisfying sense of order to your living or workspace. The shelves and side panels securely interlock using an ingenious yet straightforward mechanism, aptly justifying the name "Gridlock."

The Gridlock S3-A9-0 is a generously sized shelving unit, guaranteeing abundant storage space for your books, magazines, and cherished collectables on display. This unit offers three distinct finishes to seamlessly complement any contemporary interior.

The Gridlock System is available in various configurations. Please the Product Range section below to view the complete collection.

### DIMENSIONS

240w x 24d x 74cmh

24.3kg

## MATERIALS

Made from FSC-certified ash wood.

Gridlock is available in three different finishes: natural, white, as well as black-stained ash.

The system is available in several pre-configured options, however, for those looking for a custom solution, please get in touch to get a set of shelves tailored to your wall.
