

Gridlock T1S2T1-A6-A12

Designer: **Chris Martin**

Manufacturer: **Massproductions**

£4,596

DESCRIPTION

Gridlock T1S2T1-A6-A12 by **Chris Martin** for **Massproductions**.

Made from FSC-certified ash wood, Gridlock is a shelving solution with an adaptable design. It effortlessly conforms to your specific needs through the versatility of its shelving configuration. One standout feature is its capacity to align the shelves meticulously, creating an organized, harmonious layout within your living or workspace. This organization is achieved through the ingenious yet simple interlocking system that securely connects the shelves and side panels, earning this unit its apt name, "Gridlock."

The Gridlock T1S2T1-A6-A12 is a generously sized shelving unit, promising abundant storage space for books, magazines, and various collectables to be showcased. With a choice of three distinct finishes, this unit seamlessly complements any modern interior.

The Gridlock System is available in various configurations. Please the Product Range section below to view the complete collection.

DIMENSIONS

360w x 30d x 182cmh
25.8kg

MATERIALS

Made from FSC-certified ash wood.

Gridlock is available in three different finishes: natural, white, as well as black-stained ash.

The system is available in several pre-configured options, however, for those looking for a custom solution, please get in touch to get a set of shelves tailored to your wall.
