

Gridlock T2-A12-0

Designer: **Chris Martin**

Manufacturer: **Massproductions**

£2,760

DESCRIPTION

Gridlock T2-A12-0 by **Chris Martin** for **Massproductions**.

Crafted from environmentally-friendly FSC-certified ash wood, Gridlock is a shelving solution designed to meet your unique needs. Its versatility allows for easy customization, ensuring they adapt seamlessly to your requirements. Notably, this shelving unit's standout feature is its ability to arrange shelves in precise grids, introducing a sense of harmonious order to your home or office. The shelves and side panels securely interlock via an ingenious mechanism, perfectly justifying the name "Gridlock."

The Gridlock T2-A12-0 is a spacious shelving unit providing generous storage for books, magazines, and various collectables on display. With three different finishes available, it effortlessly complements any contemporary interior.

The Gridlock System is available in various configurations. Please the Product Range section below to view the complete collection.

DIMENSIONS

160w x 30d x 182cmh
49.8kg

MATERIALS

Made from FSC-certified ash wood.

Gridlock is available in three different finishes: natural, white, as well as black-stained ash.

The system is available in several pre-configured options, however, for those looking for a custom solution, please get in touch to get a set of shelves tailored to your wall.
