

Gridlock T3-A9-A9

Designer: **Chris Martin**

Manufacturer: **Massproductions**

£4,164

DESCRIPTION

Gridlock T3-A9-A9 by Chris Martin for Massproductions.

Constructed from FSC-certified ash wood, Gridlock is a premium shelving solution that boasts a versatile design, allowing for effortless customization of its shelves to meet your specific requirements. A distinctive feature of its design is the ability to arrange the shelves in precise grids, introducing a harmonious sense of organization to your living space or workspace. The shelves and side panels securely interlock with a straightforward yet ingenious mechanism, aptly earning this shelving unit the moniker "Gridlock."

The Gridlock T3-A9-A9 unit is a large-sized shelving solution, with ample storage for your books, magazines, and other collectables on display. It comes in three different finishes to effortlessly complement any modern interior.

The Gridlock System is available in various configurations. Please the Product Range section below to view the complete collection.

DIMENSIONS

240w x 24d x 182cmh

77.2kg

MATERIALS

Made from FSC-certified ash wood.

Gridlock is available in three different finishes: natural, white, as well as black-stained ash.

The system is available in several pre-configured options, however, for those looking for a custom solution, please get in touch to get a set of shelves tailored to your wall.
