DESCRIPTION

Tio outdoor table by **Chris Martin** for **Massproductions**.

The Tio Collection is an award-winning range of chairs, stools and tables made of a galvanized steel wire with a polyester powder coat. The clean, transparent design makes Tio chairs and tables blend well with a large variety of architectural styles. Available in ten colours (tio means ten in Swedish) and suitable for indoor and outdoor use.

Tio outdoor tables complement the Tio seating products and come in a wide variety of sizes.

Please note Tio table bases can also be combined with a selection of tabletops in laminate or oak veneer for indoor use and Carrara marble, suitable for both indoor and outdoor use. More square and oval options are available. Please **enquire** with our shop or showroom to find out more.
