

## Waiter XL armchair

Designer: **Chris Martin**

Manufacturer: **Massproductions**

£1,002

### DESCRIPTION

**Waiter XL armchair** by **Chris Martin** for **Massproductions**.

A simple and minimalist chair, with curved arms and tucked in legs designed to be serviceable and comfort. Chris Martin designed the Waiter chair with the user's perspective in mind. Developing a product that was adaptable to different needs of a waiter or waitress.

Originally the Waiter chair was introduced at the Stockholm Design Week 2010, specifically to meet the needs of waiters and guest alike. The newly designed Waiter XL was launched as a larger model with arms for added comfort at the Stockholm Design Week 2019.

The collection also includes the Waiter chair and Waiter XL Easy chair, please see in the 'Product range' below.

### DIMENSIONS

58w x 51d x 46/79cmh

## MATERIALS

Solid beech chair, available in a range of finishes: Black stained, Natural, Red lacquered, Walnut stained or White oiled. Also available in oak in Black stained, Natural, or White oiled finish.

The chair is available with a wooden seat or upholstered in a range of fabrics. Please refer to the upholstery pdf for fabric categories or **enquire** for further information.
