

## Ocean Chair

Designer: **Nanna Ditzel**

Manufacturer: **Mater**

£336

## DESCRIPTION

**Ocean Chair** by **Nanna Ditzel** by **Mater**.

Mater has reinterpreted the Ocean table originally created in 1955 by renowned designers, Jørgen and Nanna Ditzel. Collaborating with Dennie Ditzel, their daughter, Mater has created a new, sustainable iteration made of recycled fishing nets and hard plastic.

The original Ocean Chair consisted of a number of wooden slats supported by a steel frame. The design has remained largely the same, although now features plastic slats and is slightly larger to accommodate modern proportions.

## DIMENSIONS

60w x 56d x 46/81cmh  
67cmh seat height.

## MATERIALS

Made from 20% recycled steel tube frame with a gunmetal finish. Black and Sand slats made from recycled fishnets and recycled hard plastics. Green slats made from discarded beer kegs and recycled hard plastic.
