

Cugino Soft, 2023

Designer: **Konstantin Grcic**

Manufacturer: **Mattiazzi**

£480

DESCRIPTION

Cugino Soft by **Konstantin Grcic** for **Mattiazzi**.

The Cugino Soft maintains the same geometry as the Cugino. It is a well-constructed wooden object that works as a stool or a low table. Unlike the original, the Cugino Soft isn't made with solid oak wood but with locally sourced spruce wood which is lighter in weight and pale-grained. The round seat is covered with coloured linoleum as well.

Available with a pine frame and seat in 4 different linoleum colour choices.

DIMENSIONS

33.2w x 33.2d x 45.5cmh

MATERIALS

Pine frame with Forbo Desktop® linoleum seat. Please view the pdf in the product downloads section for available finishes.
