

Vintage Star Throw, Mint

Manufacturer: **Melin Tregwynt**

£382

DESCRIPTION

Vintage Star Throw, Mint by Melin Tregwynt.

The Melin Tregwynt Vintage Star collection was first produced in the 1950s. Drawing from their vast archive, Melin Tregwynt revisited this collection, infusing it with a contemporary twist in a diverse range of both modern and timeless colours.

This throw not only provides the cosy warmth and breathability of wool but also showcases a dynamic, reversible design, making it a great addition to any living area. These classic Welsh blankets with their traditional reversible style, feature elegant edges, allowing you to choose the side that complements your home the most.

Made from 100% pure new wool, the throw is woven in the Melin Tregwynt mill in Wales. This piece doesn't just offer warmth and durability for everyday use but also is remarkably easy to maintain, seamlessly blending practicality with durability.

DIMENSIONS

240 x 200cm

MATERIALS

Crafted from 100% welsh wool.

Dry cleaning recommended, or wash by hand in cold or cool water (no more than 30 degrees) using a delicate detergent. Move the fabric gently in the water for a couple of minutes. Rinse with cold water and press the excess moisture out - don't wring. Follow with a quick spin in the washing machine. Pull into shape whilst damp to straighten, then line dry on a breezy day or dry flat. Cool iron if necessary.

Please avoid leaving the throw in water. This will damage the fibres, felting and shrinking the fabric.
