DESCRIPTION

Either Tray by **Mentsen**.

Either is a series of reversible trays designed by Mentsen, a partnership between London-based Japanese designers Yasuyuki Sakurai and Risa Sano. The simple trays feature square sides which are turned 45 degrees, a functional and elegant design element that provides strength to the tray while also serving as handles.

The Either Tray is crafted from solid maple timber and is available in two finishes: a natural oil finish or a vibrant yellow stain.
