

Offcuts Trivet

Designer: **Mentsen**

Manufacturer: **Mentsen**

£72

DESCRIPTION

Offcuts Trivet by **Mentsen**.

Made exclusively from surplus timber and offcuts from the studio's previous projects, the Offcuts collection from Mentsen provides a different starting point for the design process that begins with the available materials.

The Offcuts Trivets are crafted from ash offcuts and are available with a natural linseed oil or brown stain finish, celebrating the natural qualities of the wood. The perfect size to rest a kettle or small pan, the design and unique wood grain make the trivet a decorative addition to your kitchen.

DIMENSIONS

20dia x 2.7cmh (approx.)

MATERIALS

Made from ash offcuts, finished in natural linseed oil or brown stain.

Please note: appearance (colours, wood grain and marking) of the ash offcuts are widely varied and each trivet is naturally unique.
