

## JWDA Concrete table lamp, 2015

Designer: **Jonas Wagell**

Manufacturer: **Menu**

£180

### DESCRIPTION

**JWDA Concrete table lamp** by **Jonas Wagell** for **Menu**.

Jonas Wagell's concrete lamp is a sophisticated blend of the tough and the fragile: a round concrete base with a brass dimmer switch is surmounted by an opal glass dome that casts a uniform diffused light. The design is inspired by the form of a traditional oil lamp.

A light ideally suited to a bedside table, a desk or sofa table. Of his designs, Wagell says: "I want to create products that can be used every day and become part of people's lives."

### DIMENSIONS

17dia x 29cmh

### MATERIALS

Available in concrete with a brushed brass switch. Comes with dimmer.

Light source: G9 frosted bulb (included).

Please note: not compatible with LED bulbs.
