DESCRIPTION

Eave modular sofa by **NORM.Architects** for **Menu**.

The Eave modular sofa is a generous sofa inspired by architecture. The name stems from the lower edges of the roof that overhang a wall that are called 'eaves'. The distinct details of the Eave modular sofa is its curved upholstered armrests, its internal 'eaves', that gives the sofa an expressive character.

The Eave modular sofa range consists of three units; a corner unit, an open unit and a pouf, that can be combined in many different ways to create a wide range of sofa configurations. Pricing example is for a configuration as seen on the main image which consists of **two corner units, one module and one pouf** please **enquire** for other configurations.
