

Plinth Low, 2017

Designer: **NORM.architects**

Manufacturer: **Menu**

~~Was £1,890~~ Now £1,606

DESCRIPTION

Plinth Low by **NORM.Architects** for **Menu**.

A series of marble plinths in three sizes that can be used as a side table or bedside table, or in a traditional manner to display an object.

The collection also includes two other sizes; Plinth Tall and Plinth Cubic.

DIMENSIONS

100w x 60d x 27cmh

MATERIALS

The Plinth Cubic has an inner structure made from solid acacia wood. 1.5cm thick marble pieces are then glued to the sides and top of the inner construction.

Available in black Marquina marble, brown-grey Kendzo marble, Rose Calacatta Viola marble, Sand Kunis Breccia stone or white Carrara marble.
