DESCRIPTION

Mobile Chandelier 15 by **Michael Anastassiades**.

Michael Anastassiades is known for his minimal and sculptural lighting. His philosophy is to produce exceptionally designed objects of permanent value. All pieces are fabricated in carefully sourced, small family-run workshops selected for their unique manufacturing skills and tradition in the use of materials. These dramatic and sculptural lights are an exercise in graphic minimalism.

Mobile Chandelier 15 introduces a new language to that of a series first designed in 2008. This 2019 model adopts an organic language that departs from the more disciplined geometry of previous models.
