DESCRIPTION

Triple Peaks Up by **Michael Anastassiades**.

A versatile lighting fixture defined by its cone-shaped shades, Peak introduces a captivating abstract and geometric presence to its space.

With options for both upward and downward lighting and three installation configurations (single, paired, or trio), Peak illuminates your surroundings with elegance, unveiling a graceful play of light and shadow across its curved surface when lit.

These pendants designed in 2023, offer a subtle yet striking addition suitable to both commercial and residential environments.
