DESCRIPTION

Wooden Crow by Mikael Nilsson.

All crows are unique and hand-carved with an axe and a knife, made from black-stained lime wood. Born in Linköping, Sweden, in 1972, Mikael studied Handicraft and Culture at Linköpings University. "I try to give each figure a personality, express a feeling, motion, gesture. I make crows because I like them and would like to have a real one as a friend."

Please note: each crow is hand made and therefore unique, varying in scale and design. Please enquire for further information.

The final image in the carousel shows the standard wooden crow besides the mini wooden crow.
