

Mini Bench Three

Manufacturer: **Another Country**

£479.17

DESCRIPTION

Mini Bench Three by **Another Country**.

Mini Bench Three makes good use of a simple structure of trestle base and solid wood top and is inspired by the utility forms of industrial furniture. The joint where these two elements meet is a celebrated detail and a splash of colour, if you choose it, is the only decoration that this especially useful piece of beech furniture needs.

The Mini Bench is a compact alternative for smaller areas of your home. It is generous enough to seat two and can even serve as an occasional table.

DIMENSIONS

100w x 42d x 44cmh

MATERIALS

Available in beech lacquered in green and red finish, or oak in oiled.
