

## Cutting Board

Manufacturer: **Moebe**

£29.17

## DESCRIPTION

**Cutting Board** by **MOEBE**.

Designed with both form and function in mind, the Cutting Board from MOEBE is characterised by its tapered V-shaped edges. More than just a charming design detail, the angled rims serve as an easy-to-grip handle as well as aiding it to stand on its side so that it can dry after cleaning.

The contemporary kitchen accessory is produced from sustainable materials and comes in two sizes: small, size for holding a loaf of bread, and large, which makes an excellent base for serving tapas and charcuterie arrangements.
