DESCRIPTION

Magazine Shelf MS.115.1 by MOEBE.

The MOEBE Magazine Shelving System is an adaptable storage solution that can be customised to suit your space and needs. Perfect for displaying your books, magazines and artwork, the highly versatile system can be used as a standalone piece or combined with the wall-mounted or floor-standing units from the same range.

Astutely designed, the shelves are firmly held in place by two tapered wedges in the inner corners, utilising the force of gravity to keep them stable.

The narrow shelves are complete with a raised lip and an elastic band which goes around the rods, ensuring your displays are kept secure.

Constructed entirely from individual components, the MOEBE Magazine Shelving System can be easily customised and adjusted. You can create your furniture piece as tall or wide as you prefer, enabling endless design options. With a variety of shelf and frame finishes, each exuding its distinct style, the system offers a plethora of aesthetic possibilities.

DIMENSIONS

85w x 7d x 123cmh

MATERIALS

The shelves are available in oiled oak veneer, smoked oak veneer, black stained oak veneer or white PU paint MDF core.

The powder coated steel frame is available in deep blue, pine green, warm grey, black or white.

The black and white shelves are available with matching frame only.
