DESCRIPTION

Magazine Shelf MS.115.2 by MOEBE.

The MOEBE Magazine Shelving System offers a flexible storage solution that can be tailored to fit your specific space and requirements. Ideal for showcasing your books, magazines, and artwork, this versatile system can be used on its own or paired with wall-mounted or floor-standing units from the same collection.

The shelves are cleverly designed to stay in place using two tapered wedges in the corners, relying on gravity to keep them stable. This design was inspired by traditional cabinetry techniques and provides the system with a natural, organic appearance.

The narrow shelves are complete with a raised lip and an elastic band which goes around the rods, ensuring your displays are kept secure.

The MOEBE Magazine Shelving System comprises separate parts, allowing easy customisation and adjustment. You can make your furniture piece as tall or broad as possible, offering endless design options.

Available with various shelf and frame finishes, each with its unique style, to create a look that suits your space.

DIMENSIONS

162w x 7d x 123cmh

MATERIALS

The shelves are available in oiled oak veneer, smoked oak veneer, black stained oak veneer or white PU paint MDF core.

The powder coated steel frame is available in deep blue, pine green, warm grey, black or white.

The black and white shelves are available with matching frame only.
