

## Magazine Shelf MS.180.1

Manufacturer: **Moebe**

£580

### DESCRIPTION

**Magazine Shelf MS.180.1 by MOEBE.**

The MOEBE Magazine Shelving System offers a versatile storage solution that can be customised to fit your space and needs perfectly. An excellent choice for displaying books, magazines, and artwork, this adaptable system can be used independently or combined with wall-mounted or floor-standing units from the same collection.

The shelves utilise a clever design featuring two tapered wedges in the corners, utilising gravity to ensure stability. This design draws inspiration from traditional cabinetry techniques and results in a natural organic appearance for the system.

The narrow shelves are complete with a raised lip and an elastic band which goes around the rods, ensuring your displays are kept secure.

With its modular design, the MOEBE Magazine Shelving System consists of separate components that can be easily customised and adjusted. You have the freedom to create furniture pieces that are as tall or wide as you desire, providing limitless design possibilities.

The system is available in various finishes for the shelves and frames, each with its own unique style; this enables you to create a look that perfectly complements your environment.

## DIMENSIONS

85w x 7d x 188cmh

## MATERIALS

The shelves are available in oiled oak veneer, smoked oak veneer, black stained oak veneer or white PU paint MDF core.

The powder coated steel frame is available in deep blue, pine green, warm grey, black or white.

The black and white shelves are available with matching frame only.

If you're interested in purchasing a custom configuration, please contact us [here](#) for more details.
