

Modular Sofa | Daybed

Manufacturer:**Moebe**

£1,541.67

DESCRIPTION

Modular Sofa | Daybed by **MOEBE**.

Designed in 2024, the Modular Sofa is MOEBE's first large-scale seating collection. Exemplifying the Danish brand's minimalist design philosophy, the design has been stripped down to its core elements while retaining a comfortable and inviting charm.

The seats feature a solid square frame that contrasts with the soft curves of the seat cushions, creating a silhouette that is both clean and gentle. The cushions are designed with comfort in mind, with a thoughtful ergonomic connection between the back and seat cushions that subtly enhances support.

The frame is flat-packed and crafted from wooden components that easily interlock. A metal bracket system ensures the units remain securely in place. Once assembled, the back cushions are attached to the frame using a straightforward fastening mechanism.

The collection includes four primary modules along with optional pieces like backplates, side rests, and tables, offering versatile seating configurations.

DIMENSIONS

2 Seater: 146w x 73d x 43cmh

3 Seater: 219w x 73d x 43cmh

MATERIALS

The frame for the MOEBE Modular Sofa is made from FSC-Certified oak and oak veneer, treated with a hard-oil treatment which gives a natural finish and protects it from wear over time.

The cushions are made from EU Ecolabel-compliant form and are available in a selection of colours from the following upholstery options: Autumn, Field or Re-Wool.

The MOEBE Modular Sofa comprises four modules which can be combined in different configurations. To create a custom configuration, please contact us [here](#).

Please note: the MOEBE Modular Sofa arrives flatpacked and requires assembly.
