DESCRIPTION

Rectangular Coffee Table by **MOEBE**.

Crafted from FSC-certified oak and available in two lengths, the MOEBE Rectangular Coffee Table exemplifies the studio's commitment to minimalist, Scandinavian design principles while incorporating a subtle Japanese influence. With a low profile and a cross-shaped leg frame, the table exudes approachability and understated elegance.

The MOEBE Rectangular Coffee Table is a testament to the studio's meticulous attention to detail, with every element carefully considered and thoughtfully incorporated into the design. Each piece is joined over a single brass pin to create a visually engaging and well-constructed piece.
