

Round Coffee Table

Manufacturer: **Moebe**

£625

DESCRIPTION

Round Coffee Table by **MOEBE**.

The Round Coffee Table is a contemporary and unique table that features a cross-shaped leg frame with a screwing mechanism at the centre. The table has been intentionally designed so that the unusual construction is transparent from every angle, allowing the simplicity of the design to be visible at all times.

With a low height of only 30cm, this precisely crafted piece is complete with sophisticated brass detailing, and is perfect for placing in living rooms and lounges.

The table is FSC-certified and is delivered flat-packed for easy assembly.

DIMENSIONS

88dia x 30cmh

MATERIALS

The legs are crafted from FSC-certified oak, with the top made from glass.

Please note: this table arrives flat packed and requires assembly.

Made in Europe.
