DESCRIPTION

Prop Light Double Horizontal Pendant by **Bertjan Pot** for **Mooodi**.

'We have round lights, we have straight lights. We have them with lights on one side, we have them with lights on two sides. You can have them high, low, horizontally, vertically or even hang them in an angle. Put them on the floor, hang them on your wall or down from the ceiling. We find it very hard to imagine an interior where prop is not in place' - Bertjan Pot.

This 2013 pendant lamp is straightforward yet innovative and is the perfect lighting solution for any kind of interior. Whether you prop it up against a wall, hang it from a ceiling or place it on the floor, its bubbly form and brightness lighten up any sort of environment, with fresh, timeless elegance.

Prop Light is equipped with a comfortably warm LED light source, spreading its light by a specially developed optics. All versions are dimmable.
