Tinkering Pendant Light

Designer: **Joost van Bleijswijk**

Manufacturer: **Moooi**

£2,317

DESCRIPTION

Tinkering Pendant Light by **Joost van Bleijswijk** for **Moooi**.

Designed by Joost van Bleijswijk in 2020, the Tinkering pendant light from Moooi is the result of a long exploration of unique approaches and ways to capture and reflect light. The pendant composed rhythmically by the designer breaks set conventions and trends. Tinkering creates a modern feel with a detailed touch.

The pendant light is available in two sizes. The Tinkering 85 and the Tinkering 140 feature 7 and 12 light sources respectively. Available in black finish.
