

Nut Dining Chair

Designer: **Marcel Wanders**

Manufacturer: **Moooi**

£1,150

DESCRIPTION

Nut Dining Chair by **Marcel Wanders** for **Moooi**.

Designed by Moooi co-founder Marcel Wanders, the 2013 Nut Dining Chair is a contemporary seat with a solid wood frame and gentle curves that embrace the occupant when seated. The seat's shape provides comfort, ensuring the occupant can remain sitting for long periods.

The Nut range is a testament to Wanders' exceptional design skills and commitment to creating stylish and restful products.

Available in a wide range of upholstery and leathers, please choose your preferred upholstery from the downloadable specification pdf and check the category it belongs to on the downloadable matrix. Contact us for guidance and samples
