

Nut Lounge Chair

Designer: **Marcel Wanders**

Manufacturer: **Mooodi**

£1,343

DESCRIPTION

Nut Lounge Chair by **Marcel Wanders** for **Mooodi**.

The Nut lounge chair, designed in 2013 by Mooodi co-founder, Marcel Wanders, offers a comfortable and luxurious seating experience for the occupant. The durable chair embraces the user with gently sinuous curves and a solid wood frame, ensuring long-lasting comfort.

The Nut range is a testament to Wanders' exceptional design skills and commitment to creating stylish and restful products. Pair the lounge chair with the footstool for maximum relaxation.

Available in a wide range of upholstery and leathers, please choose your preferred upholstery from the downloadable specification pdf and check the category it belongs to on the downloadable matrix. Contact us for guidance and samples.
