### DESCRIPTION

**Raimond II Dome Pendant Light** by **Raimond Puts & OX-ID** for **Moooi**.

Raimond Dome brings the poetry of a starry night to our homes, having a powerful lamp right at the centre of its dome-shaped network of twinkling LED lights. Designed in 2013, this pendant is the perfect reading or dining lamp.

The intricate spheres of Raimond transport the electrical current. The LED terminals then join these paths to create an atmospheric ambience. The transparent lenses are especially detailed to spread warm white light in every direction.
