

## Raimond II XL Pendant Light

Designer: **Raimond Puts and OX-ID**

Manufacturer: **Mooodi**

£17,694

### DESCRIPTION

**Raimond II XL Pendant Light** by **Raimond Puts & OX-ID** for **Mooodi**.

An extra-large version of the standard Raimond pendant lamp for large spaces and contract purposes.

Dutch mathematics professor Raimond Puts was passionate about searching for solutions to practical problems.

His love for geometric shapes, engineering, and metalwork all came together when the LED technology was born, in the form of the iconic Raimond pendant light.

Raimond will always be remembered by Mooodi as 'The man who brought the starry sky into our homes'.

Two years before his death, Raimond Puts won the best Woonproduct of 2010 Award (Sanoma Woon Awards) with the Raimond light.

### DIMENSIONS
