

Giant Stubby Candles

Manufacturer: **Moorlands Candles**

£28

DESCRIPTION

Giant Stubby Candles by **Moorlands Candles**.

Crafted by Moorlands Candles, the Giant Stubby Candles have been hand-dipped using a time-intensive process that involves repeatedly dipping and withdrawing the wick into liquid beeswax, gradually creating the tapered shape.

The candles exude a delicate honey aroma and showcase a natural tone.

Sold as two candles joined at the wick, these eco-friendly candles burn with a less toxic flame than non-beeswax alternatives.

DIMENSIONS

4.5dia x 20.5cmh (individual candle)

MATERIALS

Sustainable beeswax from the U.K.

Set of two candles.
