

Standard Candles

Manufacturer: **Moorlands Candles**

£10.95

DESCRIPTION

Standard Candles by **Moorlands Candles**.

Crafted by Moorlands Candles, the Standard Candles have been hand-dipped using a traditional technique of repeatedly dipping and withdrawing the wick into liquid beeswax to create the tapered shape.

These candles emit a subtle honey fragrance and feature a natural colour palette.

Sold as two candles joined at the wick, these eco-friendly candles burn with a less toxic flame than non-beeswax alternatives.

DIMENSIONS

2.2dia x 23cmh (individual candle)

MATERIALS

Sustainable beeswax from the U.K.

Set of two candles.
