

Morrison Stool

Designer: **Jasper Morrison**

Manufacturer: **Cappellini**

£430

DESCRIPTION

Morrison Stool by Jasper Morrison for Cappellini.

Designed by Jasper Morrison in 2003, the Morrison stool features a simple and elegantly designed seat supported on a metal base.

Its gently curved seat, which distinguishes harmoniously from the straight, well-defined lines of the base, is made of beech and birch plywood with polyurethane foam padding.

The chair offers the option of a wood finish or a fixed upholstered seat and is suitable for a myriad of settings, from commercial interiors to residential living spaces.

DIMENSIONS

Small stool 44w x 35d x 45cmh

Medium stool 44w x 35d x 70cmh

High stool 44w x 35x x 80cmh

MATERIALS

Base comes in a satin finish stainless steel or matt lacquered in white or anthracite. Legs come with grey polypropylene feet.

Seat available in bleached ash, oak-stained ash, black-stained ash or a range of fabrics and leathers.

Please see product downloads for material samples.

Please note: A wider selection of base and seat finishes are available, **enquire** for details.
