Compile Shelving System

Designer: **Cecilie Manz**

Manufacturer: **Muuto**

~~Was £579~~ Now £492

DESCRIPTION

Compile Shelving System by **Cecilie Manz** for **Muuto**.

The compile shelving system is a contemporary take on the classic shelving system. Lightweight and strong, the shelves can be assembled according to the pre-arranged configurations to provide a neat, aesthetically pleasing storage solution for the home or office.

Created by world-renowned designer Cecilie Manz in 2016, the Compile system is of a uniquely Scandinavian design, something reflected in its logical simplicity and timeless style.

For assembly instructions and available configurations, please see the [PDF](#).
