

Mini Stacked 2.0 Storage

Designer: **JDS Architects**

Manufacturer: **Muuto**

£149

DESCRIPTION

Mini Stacked 2.0 Storage by **JDS Architects** for **Muuto**.

The Mini Stacked system by JDS Architects is an adaptable storage solution with infinite potential. Using small clips you can arrange the generic building blocks as you see fit to quickly create shelf systems, room dividers or side tables.

Larger Stacked shelving also available. Please see 'Products range' below.

Muuto's online **configurator** allows you to test various arrangements of the units and find the optimum solution for your needs.

Please note that Mini Stacked 2.0 modules have been upgraded. Muuto does not recommend mixing new modules with previous-generation Mini Stacked units.
