

Stacked 2.0 Open Shelving

Designer:**JDS Architects**

Manufacturer:**Muuto**

£149

DESCRIPTION

Stacked 2.0 Open Shelving by **JDS Architects** for **Muuto**.

Designed in 2013, the Stacked 2.0 system by JDS Architects is an adaptable storage solution with infinite potential. Using small clips you can arrange the generic building blocks as you see fit to quickly create shelf systems, room dividers or side tables.

Modular units with a back are also available. Please see the 'Product range' below.

Muuto's **configurator** allows you to test various arrangements of the units to find the optimum solution for your needs.

Please note that Stacked 2.0 modules have been upgraded. Muuto does not recommend mixing new modules with previous generation Stacked units.
