

## Stacked shelf podium

Designer: **JDS Architects**

Manufacturer: **Muuto**

£339

### DESCRIPTION

**Stacked shelf podium** by **JDS Architects** for **Muuto**.

The Stacked system by JDS Architects provides a storage solution with infinite potential. Using small clips you can arrange the generic building blocks as you see fit to quickly create shelf systems, room dividers or side tables.

Use Muuto's online **configurator** to test various arrangements of the units and find the optimum solution for your needs.

Please see 'Products range' below for Stacked shelving units which are available with or without backs.

### DIMENSIONS

131w x 35d x 20cmh

### MATERIALS

Podium base plinth in white, light grey or midnight blue PU lacquered MDF or oak veneer for use with Stacked shelf system.
