Ex-display items have some signs of use and we recommend a detailed condition report prior to purchase.

This item is a one-off ex-display item to be sold on a first-order, first-served basis.

The Stacked system by JDS Architects is an adaptable storage solution with infinite potential. Using small clips you can arrange the generic building blocks as you see fit to quickly create shelf systems, room dividers or side tables. Stacked open shelving and stacked shelving with back are also available. A podium base plinth in white, light grey or dark grey MDF or ash veneer is also available. Please see 'Product range' below.

Muuto's online **configurator** allows you to test various arrangements of the units and find the optimum solution for your needs.
