Ex-display items have some signs of use and we recommend a detailed condition report prior to purchase.

This item is a one-off ex-display item to be sold on a first-order, first-served basis.

Johan Van Hengel has taken inspiration from the traditional table lamp silhouette and transformed it into Ease, a portable and easy-to-carry light. Visually lightweight, the top seems to balance atop the bottom with 'ease'. The softly tapered base resembles a vase's lip and provides stability and comfort with gripping.

The versatile lamp, designed in 2023, features a high-quality dimmable light with three different levels, offering both functional and ambient lighting.

With an IP54 rating, Ease is protected against dust and water splashes from any angle. It's a reliable and practical choice for anyone looking for a portable lighting solution.
