DESCRIPTION

Leaf Floor Lamp by **Mats Broberg + Johan Ridderstråle** for **Muuto**.

Designed in 2012 Leaf combines a light and elegant design with a built-in energy-efficient LED technology. Though the design is minimalistic and straightforward, a soft asymmetric geometry gives the lamp an organic and friendly appearance.

Depending on the viewing angle and how the shade is turned, the lamp will subtly transform its shape to create a graphic and leaf-like silhouette in the room.
