DESCRIPTION

Leaf Table Lamp by **Mats Broberg + Johan Ridderstråle** for **Muuto**.

The Leaf table light designed in 2012, combines a light and elegant design with an energy-efficient LED technology. Though the design is minimalistic and straightforward, a soft asymmetric geometry gives the lamp an organic and friendly appearance.

Depending on the viewing angle and how the shade is turned, the lamp will subtly transform its shape to create a graphic and leaf-like silhouette in the room.

Please note, the minimum order is two pieces.
